Atlantic City Municipal Utilities Authority
Request for Qualifications from Attorneys
To serve as Bond Counsel

For the Period March 18, 2020 through March 24, 2021

Introduction

The Atlantic City Municipal Utilities Authority ("ACMUA") is soliciting Qualification Statements from interested persons and/or firms for the provision of bond counsel services as more particularly described herein. Though a Request for Qualification process as described, persons and/or firms interested in assisting the ACMUA with the provision of such services must prepare and submit a Qualification Statement in accordance with the procedure and schedule in this RFQ. The ACMUA will review Qualification Statements only from those firms that submit a Qualification Statement which includes all the information required to be included as indicated. In its the sole judgment, The ACMUA intends to qualify person(s) and/or firm(s) that (a) possesses the professional, financial and administrative capabilities to provide the proposed services, and (b) will agree to work under the compensation terms and conditions determined by the ACMUA to provide the greatest benefit to the ratepayers of Atlantic City, NJ. The successful Respondent will be awarded a one (1) year professional services contract. At the conclusion of the contract, the ACMUA, at its sole discretion, may automatically renew the contract for three (3) consecutive one (1) year periods. A rate proposal contained in the Respondent’s Qualification Statement shall be for the first year only. The ACMUA may terminate the contract on thirty (30) days written notice if the Respondent has breached any material/service term hereof. The successful Respondent must have significant experience in providing legal services as Bond Counsel to New Jersey municipalities and/or other New Jersey public entities. The basic scope of services provided to the ACMUA shall include (1) preparation of bond resolutions; (2) preparation of note issues (bond anticipation notes, tax anticipation notes, emergency notes, etc.) with accompanying documentation and approving legal opinion; (3) preparation of bond issues with accompanying documentation and approving legal opinion; and (4) at the request of clients, legal research on municipal
authority law questions. Because bond resolutions constitute the basic authorization for both capital projects and the debt required to finance them, public finance attorneys are actively involved in providing expert advice as to the legality, under state and federal law, of proposed projects and the proper state law procedures for adoption of bond resolutions. The ACMUA will work closely with all necessary parties to make certain that funds are available for down payments (when required) and that all required supplemental debt statements and capital budget amendments are filed.
